NEWSLETTER MESSAGE FROM THE PRESIDENT

Hello all WCWS members,

I am wishing you all a Happy New Year and hoping that your holiday season has been all you had hoped it would be.

As we move into the new year we have some extraordinary events coming up. Our January 10th meeting at the Art Center in Grand Junction will allow us to view all the entries for the Rockies West National 2018. We also will conduct whatever business the WCWS has to take care of to function in the beginning of 2018.

The schedule for all events connected to the Rockies West National 2018 are outlined in this newsletter. I am particularly looking forward to the workshop conducted by our judge Fealing Lin and I hope those of you who have not yet registered will do just that soon as the workshop is filling up. I also want to thank each of you that will help hang and pack up the show. This usually goes very quickly and smoothly as we have so many volunteers willing to help.

Unfortunately, this year's show packs up on Easter day from 1:00 to 3:00 PM. This could not be avoided this year and I realize this may be a challenging time for many of you to attend. Roger Milway will be contacting many of you to see if you can help and perhaps we will have some new volunteers as well.

Lets have a great year of painting and continued camaraderie among our members as 2018 progresses.

Timothy Brady
WCWS President
