Reveille grew up in Pueblo, Colorado and painted with old enamels and created with the wood leftover from her father's building projects. She has taken many workshops and classes around the world and her paintings hang in England, Scotland, Japan and around the US. Reveille is currently teaching out of her house/studio. She is past President of Pike's Peak Watercolor Society and also Arati Gallery where she is a member for 15 years in Old Colorado City.

President's Message

I was getting my left knee replaced and couldn't participate in the Montrose Plein Air event, but I did participate in the Red Rocks Arts Festival in Moab 10/5-10/13/2018, and even though it rained a tremendous amount, I had a great time. I made some new painting friends and even sold one of my paintings. I didn't win any awards, but the time there was precious. I even spoke on local radio promoting the Red Rocks Arts Festival and the Rockies West National Show. One fun thing we did other than paint was a Sketch Crawl/Pub Crawl at three bars. We sketched, ate, drank and had an all around great time. We could do this in our towns.

Keep painting,
Tim
